I would like to thank all of the Officers of the Lodge who have supported me for the last 2.5 years. We have traveled a long road together and learned much about Freemasonry. By applying the principles of our Fraternity and sharing our experiences, great progress has been made. Together we have re-kindled the light of our Lodge. I am confident that our new line of Officers will carry the torch and tend the seeds that have been planted. I also thank all the members who have supported us in our endeavors. I will always be thankful for the opportunity to serve this Lodge and our beloved Fraternity.

May God Bless Us All,

Fraternally,

Wor Robert Baldauf

TRIVIA

In the February notice the quest was ask if you could identify this symbol. Hope you weren't thrown off by the statues and book.

Here is its meaning!

In every well-regulated Lodge there is found a point within a circle, which circle is bordered by two perpendicular parallel lines. The point represents an individual Brother, the circle the boundary line of his duty to God and man, and the two lines are representative of Saint John the Baptist and Saint John the Evangelist, the two great patrons of Freemasonry to whom our Lodges are dedicated, and who are said to have been "perfect parallels in Christianity as well as Freemasonry". In those English Lodges which have adopted the Union System established by the Grand Lodge of England in 1813, and where the dedication is "to God and his service," the parallel lines represent Moses and Solomon. As a symbol, the parallel lines are not to be found in the earlier instructions of Freemasonry. Though Oliver defines the symbol on the authority of what he calls the Old Lectures, it is not to be found, any anterior to Preston, and even he only refers to the parallelism of the two Saints John.
