FROM THE EAST

Fraternal Greetings,

Spring is in the air and we are soon looking to the end of another Masonic year in Brattleboro lodge. I bring this up as a reminder that the annual meeting in April will be here soon. Of course, we tend to expect a regularity to the progression of each year, but nominations are a part of the process, if there is interest. Keep that in mind as April draws closer. I understand the likely next Master is going to be looking to spread the work around more so be ready to start learning some ritual. From personal experience, I will attest to how much more readily one internalizes the lessons when they are being learned.

With the coming warmer days, we are also adding new warmth and fellowship to the lodge. I am pleased to have a group of new brothers in the past couple of months, all men who are eager to add to our lodge. Welcome them, and be open to what they can offer.

Please observe the dates on the calendar, including some needed help at the Shrine. On the 8th in particular, we're holding another activity committee meeting and there will also be a degree in our district. Visitation is always encouraged, particularly for our newest members who have not seem many, if any, degrees since their own.

Finally, I want to observe how important our interest in each other, our appreciation of one another's company, is to the vibrancy of our lodge. Please look at the Fellowship Night on the 29th as a real chance to enjoy our company without also working on the business of the lodge. I hope to see many of you joining us.

Safe travels, my brothers!

May God Bless Us All

Fraternally Yours,

Wm. Jeffery Anderson-Burgos
Presiding Master

"So Mote It Be!"

Well done, good and faithful servants!

Masonic Trivia

In China, about 300 B.C., Mencius wrote "A master mason, in teaching his apprentice, makes use of the compasses and the square. Ye who are engaged in the pursuit of Wisdom, must also make use of the compasses and the square." Additionally, in a book called **Great Learning**, 500 B.C, we find that "A man should abstain from doing unto others what he would not they should do unto him. This is called the principle of acting on the square."

Believe It or Not!
