**FROM THE EAST**

Fraternal Greetings,

I want to begin by thanking our mentors and newest members for the good work being put. The lessons derived from the learning being done begins a lifelong journey of wisdom and growth that is well worth it. To our brothers who have been around for a little longer, never lose the zeal of knowledge our newest brothers are currently showing,

It's hard to believe two years in the East is drawing to an end. Thanks to all of the brothers who have been supportive of our work during this time. I wish our incoming Master all the best, and I have a strong belief in what the future holds with the line of officers coming up as well. Brattleboro Lodge will remain vibrant - hopefully become even more so. While I may be leaving a seat, I look forward to continued participation alongside our other past masters. I also look forward to applying some personal lessons learned from this time.

Brothers, always look to every experience for how it can bring about growth in your own lives. It is how we become better brothers for our lodges and our Fraternity, and better members of our community.

Safe travels, my brothers!

May God Bless Us All

Fraternally Yours,

*Wm. Jeffery Anderson-Burgos*  
Presiding Master

**Masonic Trivia**

Well known actor Jack Carson was the first of five candidates to receive the Entered Apprentice degree at Cecile Daylight Lodge #305 in Independence, MO in 1936. He was taught the proficiency while the other four candidates were being initiated. By his request, he then returned his Entered Apprentice proficiency that same evening, even examining himself. He gave a perfect proficiency!

Masonic Labor is purely a labor of love.

He who seeks to draw wages in gold or silver will be disappointed The wages of a Mason are earned and paid in their dealings with one another;

Sympathy that begets sympathy  
Kindness begets Kindness  
Helpfulness begets Helpfulness

And these are the wages of a Mason
